Thank you for choosing Let's Gogh Art for your party. It's going to be a blast! As a reminder, you have up to 60 minutes to create & celebrate. After all the masterpieces have been created everyone takes them home. Your package also includes a hostess. Please feel free to offer her a gratuity for excellent service. We do provide cover ups, but remind your guests to wear art-friendly clothes. Please call us with any questions about the party. We're here to make this the best party your family has ever had!!
