Let's Gogh Art Corporate Event Overview

When you're asked to plan an event, you have A LOT of details to deal with. Not to mention deadlines, budgets and bosses. One of the goals of our service is to make it **HASSLE-FREE** to hire us. Our service is completely turn-key and we do all of the work so you can focus on all the other "stuff". Just recently, an event planner said to us, "I can't believe how easy that was." Most importantly, on the day of the event, there's absolutely nothing you need to do. We take care of everything so you can relax and host a truly great event.

Our second goal is to offer **UNIQUE** projects and activities that other types of entertainers simply don't offer. Our programs are hands-on, interactive, fun, and educational too. Many Let's Gogh Art event attendees have been overheard saying, "Wow, this was a great idea and really different."

Not just for kids, our creativity programs have **UNIVERSAL APPEAL** and can be enjoyed by kids, adults and families alike. We are equally adept at running a corporate team building event to entertaining kids at a company picnic.

No matter the size of your organization, budgets are always a concern. You'll find that Let's Gogh Art programs are extremely **AFFORDABLE** and highly competitive with other options. More than likely, our programs offer a much greater value to your participants.

We can go wherever you go. You may choose to have your event or outing at a venue such as Kimball Farm in Westford, MA, or you may choose a boat on Boston Harbor. No matter where you end up, we can "create some fun" **ANYWHERE**. We can bring tables, tents and supplies. Even a patch of grass will work for us! And, we take the mess with us and always leave the venue as we found it.

Whether you're planning a company outing, a Christmas party, a teambuilding activity or celebration for the children of your employees or members, we have a **HUGE SELECTION** of projects and activities that will excite and engage everyone. Check out our Activity Flyer for all your options on the Locations page of our website.

With **UNMATCHED PLANNING and PREPARATION**, your program is efficiently delivered just as you expected. We work with you to customize the event or program to match your exacting needs, down to the most minute detail. We offer every customer our creative energy and ideas in the planning stage, and continue to make sure everything is in order during preparation and delivery.

From the moment you contact us, our **PROVEN PROCESS** begins. And, it doesn't end until the moment you receive a note thanking you for your business. Every last detail, down to the water cups hot glued to their trays has been tried and tested so that you and our group can have an enjoyable experience. We recently had a customer exclaim, "You guys have thought of everything."

Our talented, **FRIENDLY & FUN STAFF** enjoy what they do and it shows. We're here to help every customer before, during and after the event. We do the little things that make a difference, and we hope that shows too. The biggest reward for a job well done is a child's smile smeared with a dab of paint or a CEO proudly displaying his tie-dye t-shirt.

When you're ready to plan an event, we're ready to help you. Give us a ring at: 1.877.ART.GOGH or you can ping us at: art@letsgoghart.com.
