Our service is completely turn-key and we do all of the work so you can focus on all the other "stuff".

Our second goal is to offer **UNIQUE** arts & crafts projects and activities that other types of entertainers simply don't offer. Our programs are hands-on, interactive, fun, and educational too.

From the moment you contact us, our **PROVEN PROCESS** begins. And, it doesn't end until the moment you receive a note thanking you for your business. Every last detail has been tried and tested so that you and our group can have an enjoyable experience.

Our talented, **FRIENDLY & FUN STAFF** enjoy what they do and it shows. We're here to help every customer before, during and after the event. We do the little things that make a difference, and we hope that shows too. The biggest reward for a job well done is a child's smile smeared with a dab of paint or a CEO proudly displaying his tie-dye t-shirt.
