

With Let's Gogh Art's unique program, *It's Off to Art We Gogh*, employees take a break from the stresses and strains of corporate life. *It's Off to Art We Gogh* is designed to get your employees out of their cubes and into fresh thinking. Instead of tapping on their keyboards, they can be tapping into their imaginations.

Our talented and enthusiastic instructors come to your location prepared with everything needed to "create some fun" with your team. All you have to do is choose the project and get your team ready for a break.

It's proven that creativity is a critical skill required in today's world. What are you doing to foster your employee's creativity?
