

Creative Dance Programs for Toddlers & PreSchoolers

Let's Gogh Dance offers engaging, exciting and educational creative dance classes & workshops delivered at YOUR location.

By delivering our classes at your location, children are introduced to dance in a safe environment with their friends and/or teachers. Parents can "test" their child's interest in dance before attending a formal dance studio, while also enjoying the convenience and affordability of a mobile dance program.

Classes are designed to introduce toddlers and pre-school age children to the joy of dance and movement. We offer an introduction to ballet and creative movement classes for children ages 18 months to 5 years. All of our classes incorporate a story and/or art project so that children can exercise their mind and body!

We provide an active and nurturing environment, enabling children to channel their natural energy into keeping fit and having fun!! Check out class details on page two and give us a call.

Let's Gogh Dance Overview

CLASS OFFERINGS:

Any of the below offerings can be hosted as a single DanceFun event or as a recurring class that meets for 4-8 weeks.

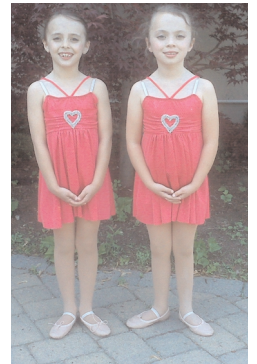

Dance, Giggle & Wiggle! (18 months-2.9 years)

This super fun class combines creative movement and imaginative play to improve coordination and introduce children to the joy of movement, music and rhythm. We offer themes such as Jungle Adventure, Down on the Farm, Under the Sea, and Prince and Princess. Children move to their favorite music and our fun props encourage active participation. This enriching program strengthens coordination and cognitive skills in a positive atmosphere.

Dance For U (3-5 year olds)

Students will learn the basics of ballet and creative movement in this introductory class. Special attention will be on new dance vocabulary, the five basic dance positions, stretching, proper form and how to stand like a ballerina. We integrate fun and play by using props such as wands and fairy tale play. Each class will end with a creative art project to reinforce the dance concepts learned.

StoryDance (3-5 years)

Students will dance, run, whirl, laugh, jump, tumble and make new friends while they learn about the world around them through dance and literature! Classes begin with a story about the tiniest dancers and stretching exercises. Children are then taught beginner creative movement and dance techniques. Students will dance to their favorite songs while using fun props such as maracas, tambourines, pompons, leis, streamers, and fans.

“Studies have shown that physical skills aid children in many other areas, including reading (improving hand and eye coordination), basic body coordination (motor movement) and self-reliance.”

We'd like to help get your group of kids dancing...now is the time to get “goghing”. To learn more about our Let's Gogh Dance services, give us a ring at: 1.877.ART.GOGH or you can ping us at: art@letsgoghart.com
